AXEMEN POWER EQUIPMENT

DUAL POWER INVERTER GENERATOR

MAX 11800 WATT (GASOLINE)
MAX 9800 WATT (PROPANE)

COMMERCIAL-GRADE POWER INVERTER-QUIET PERFORMANCE

Built for demanding applications, this dual-fuel inverter generator combines high-output performance, clean power delivery, and quiet operation in one versatile platform. Powered by a robust 500cc engine and producing up to 10kW of output, it is engineered to support power tools, commercial equipment, appliances, sensitive electronics, and critical backup loads. Dual-fuel capability allows operation on either gasoline or propane, giving users greater flexibility in the field, on the jobsite, or during an outage. Advanced inverter technology delivers clean, stable power while significantly reducing operating noise compared with conventional generators. Ideal for mobile businesses, construction jobsites, outdoor operations, and residential backup power.

BUILT FOR WORK , READY FOR BACKUP

- Up to 10kW Output
- Powerful 500cc Engine
- Gasoline + Propane Dual-Fuel Capability
- Clean, Stable Inverter Power
- Quiet Operation
- Ideal for Jobsites, Mobile Businesses & Home Backup
- Reliable Power for Tools, Appliances & Sensitive Electronics

Model	**AX11800FI**
Engine Brand and Model	RATO R500-V
Engine HP and Displacement	16.8 HP 500 cc
Engine Starting Method	Recoil / Electric With Remote
Engine Warranty	2 Year
Max AC Output	11800 Watt
Rated AC Output	9800 Watt
Voltages	120 / 240
Outlets	L5-30R (1) L14-30R (1) 14-50R (1)
Frequency	60 Hz
Run Time (50% Load)	21 Hours
Tank Size	7.85 Gallon
Sound Rating (Decibels)	<66 db
Shipping Weight	300 lbs
Dimensions (Inches) (L x W x H)	33x 24 x 28 w/ Handle & Wheels
